17 Defendant Steven K. Murdock and the government, through undersigned counsel, hereby
18 stipulate and jointly move that the Court conduct a hearing to determine the mental competency of
19 the defendant, pursuant to 18 U.S.C. §4241(a). The parties further stipulate and jointly move that
20 the Court order that a neuropsychiatric examination be conducted of the defendant and filed with the
21 Court in accordance with 18 U.S.C. §4241(b). The parties jointly recommend that the examination
22 be conducted by Dr. Jonathan Mueller, M.D., a neuropsychiatrist affiliated with San Francisco
23 Clinical Neurosciences whose area of expertise is psychiatry and neuroscience as it relates to the
24 identification and treatment of Alzheimer's and other dementia -related illnesses. The reason for the
25

1 requested competency evaluation is that Steven K. Murdock has been diagnosed with Alzheimer's
 2 disease. His affairs are currently being handled by a conservator. In addition, a state court judge in
 3 a civil case which was pending against Mr. Murdock in 2006 found Mr. Murdock incompetent to
 4 proceed in the civil matter after Mr. Murdock was evaluated by a neuropsychologist in connection
 5 with that matter. While the standard for competency in a federal criminal case may differ from the
 6 standard which applied to the state civil matter, the parties agree that an evaluation is necessary.

8 The parties further stipulate and agree that the time until the next status appearance on April
 9 29, 2008 should be excluded under the Speedy Trial Act pursuant to 18 U.S.C. §3161(h)(1)(A)
 10 because of the need to conduct examinations and judicial proceedings to determine the competency
 11 of the defendant.
